Supplies:

Please bring the following to class everyday: textbook, erasable writing instrument, notebook, AND your graphing calculator

Homework

Worth 20% of your total grade. Assignments are listed on our webpage. If you have an excused absence, then you may turn in your assignment when you return to class or on a pre-arranged date. Otherwise, late assignments are NOT accepted. [I will grade your assignments on a daily basis] All work/steps must be shown in standard mathematical notation. Neatness counts. Partial credit is given for on-time assignments only.

Quizzes/Tests/Projects/Semester Exams

Worth 80% of your total grade. Each chapter will have at least one test and/or quiz. Tests and quizzes may be taken early if you need to miss class due to an approved excused absence. [Please be sure to let me know in advance.] Everyone will be required to take a semester exam for both the fall and spring semester. Each quiz/test will be in AP format. This includes multiple-choice non-calculator and calculator questions, as well as non-calculator and calculator free response questions. Starting this year, anyone taking a test on a non-scheduled test date will be taking a different version of the test. I will follow BVSD policy for unexcused absences.

Textbook

Calculus 8th edition by Larson, Hostetler, and Edwards

Office Hours

Ms. McCleary's office is located at the back of Room 222. She is available for help during 2nd, 5th, and 8th period and during the common lunch on Block Days. Please be sure to let her know you are coming since there are other classes that meet in Room 222.

AP Exam

The AP Calculus AB exam will be given on May 5th. For more information go to:

http://www.collegeboard.com/student/testing/ap/sub_calab.html

Please note: In the event that Ms. McCleary does not finish the school year with you, the teacher that takes her place may have their own classroom policies.

Answers to common questions:

**Will this be
on the test?**

YES!

Can I have
Extra-credit?

NO!
