

Here is a list of additional review stuff for Chapter Two* :

This chapter was chock full of rules, rules, rules, and more rules. You really need to memorize these rules!!!

For video tutorials on our favorite rules go to:

<http://www.calculus-help.com/funstuff/phobe.html>

For a nice review of related rates go to:

<http://tutorial.math.lamar.edu/Classes/CalcI/RelatedRates.aspx>

For a video tutorial from the “Midnight Tutors” called “Everything You Wanted to Know About Related Rates” go to:

<http://www.midnighttutor.com/RelatedRatesFull.html>

For video demos on related rates go to:

<http://astro.temple.edu/~dhill001/relatedrates/relatedrates.html>

For some video tutorials on implicit differentiation go to YouTube and just type in “implicit differentiation” or go to

http://ia301504.us.archive.org/1/items/AP_Calculus_AB_Lesson_23/Container.html

[You need to click on “Derivatives of implicitly defined functions” in the left menu]

There are some nice student-written reviews at:

<http://hkiscalc.wetpaint.com/page/Derivatives>

Be sure to go over any projects, quizzes, assignments, etc. from this chapter. Please plan on spending some quantity and quality time on studying for this chapter.
